Bids Sought for Crestline Dog Park

SAN BERNARDINO – On Tuesday, the Board of Supervisors approved plans for a proposed dog park near Lake Gregory in Crestline and agreed to place the community project up for bids.

“The dog park will be a great addition to all the current and planned amenities around Lake Gregory, including the skate park, walking trails, the historic San Moritz Lodge and the new Crestline Library,” said Board of Supervisors Chairman Paul Biane, who represents the Crestline mountain communities as the Second District Supervisor.

The dog park will be located at 24171 Lake Dr. inside Lake Gregory Regional Park. It will feature two fenced areas, one for small dogs and another for large canines. Construction of the dog park will require the removal of existing chain-link fencing, which has deteriorated considerably over the years.

Project bids are scheduled to be opened on Oct. 14.
